

### **Local Hikers Enjoy Spring Sunshine**

Bainbridge resident Merryl Carlsson with Ray Lusin of Twinsburg were among members of the Cleveland Hiking Club enjoying the wonderful weather in South Chagrin Reservation last week. The Cleveland Hiking Club has been in existence since 1919, and has many local participants. Octogenarian Ray, the longest distance hiker in the club, has logged over 54,000 miles. Linda Henry of Auburn hiked, too, with camera in hand. Thanks for the photo, Linda!
