

CHC PHOTOGRAPHY EXHIBIT

Where: North Chagrin Nature Center
When: Entire Month of August 2008
Theme: CHC Hiking in Northern Ohio Parks

Janice Radl recently spoke with the ranger at the North Chagrin Nature Center about our hiking club putting together a photography exhibit. I subsequently spoke with a ranger at this Center and scheduled an exhibit to run the entire month of August, 2008.

Here's what you need to do if you are interested in possibly participating.

1. Photos must have been taken in our local parks, trails, arboretums, etc. in northern Ohio within the past 3+ years (Jan. 1, 2005 to current).
2. Subject is "nature". This is defined as scenery, plants, animals, and people as long as they are **not** the dominant focal point of the image (in other words, no portraits or recognizable persons).
3. Photo size can be 10 x 14 **or smaller**.
4. All photos must be matted with white board and framed in a black metal frame.
5. Submit photos to Aggi Konieczynski at 3947 West Sprague Rd., North Royalton, OH 44133 by **June 1, 2008**.
6. All entries must be labeled with your name and location of the image, i.e. North Chagrin Reservation.

Because of the limitations of display space, we are restricted to 20 photos. So, pick **your best shot**. Only **one entry** per person. Sylvia Banks has agreed to select the photos for the exhibit. Silvia is photography editor for the CVNP calendar and is a certified photography judge.

Any entry that does not comply with the above will be disqualified.

This is **not** a photo contest. It is an opportunity to get some community exposure. If this goes well, we can make this an annual event with exhibits in other nature centers such as Rocky River and Canal Way.

Please call Aggi at 440-843-8109 or e-mail her at apkoni@yahoo.com with any questions or concerns.
